

About us...

Martindales Limited is a leading manufacturer and supplier to the trade of glass and glazed units.

With over 25 years' experience in the trade, Martindales has gained a reputation for offering a wide range of high quality products at competitive prices.

And coupled with our excellent customer service and unrivalled understanding of the market, we are uniquely placed to help meet the needs of our customers and their businesses.

From a single piece of glass to a large volume of the latest energy efficient double glazed units, Martindales is equipped to deliver for customers operating in both domestic and commercial markets.

Our 40,000 sq ft manufacturing unit in Bolton has benefited from continuous investment in technology, enabling us to produce A-E rated sealed units and safety glass.

The Martindales factory is kitted out with the latest manufacturing equipment, including:

- a 3m x 2m Lisec CNC glass cutting line with automatic edge deletion facility
- a 2.1m x 3.6m TCME glass tempering line (toughening plant)
- a 1.6m x 2.5m Lisec robotic sealing IGU line with barcode reading facility

Our more bespoke products and services include bevelled and leaded designs, stained glass and Georgian bar. We'll even copy the design of an existing unit for you!

Quality is a given at Martindales and with ISO9001:2008 accreditation and an extensive regime of quality checks throughout the manufacturing process, you can be assured of receiving flawless products every time, backed up by our 10 year guarantee.

The Martindales service experience is second to none, offering site drop delivery, a fast track service and online ordering. We'll even let you tip a window for free when you buy one! And our friendly, knowledgeable staff are on hand to discuss your order requirements and offer advice on products, energy ratings and pricing, which at Martindales is totally transparent.

We look forward to serving new and existing customers alike. Please visit our website at www.martindalesglass.co.uk, give us a call or pay us a visit – we'd be delighted to see you!

Vast product range....

Martindales is THE one stop shop for all your glazing product needs.

Our extensive range of products includes:

- Single glazing
- Energy efficient, Document L compliant hermetically sealed units
- Toughened sealed units
- Laminated sealed units
- Bevelled glass designs
- Leaded glass designs
- Stained glass designs
- Georgian bar
- Georgian wire
- Coloured spacer bar

Martindales is a BFRC registered supplier of energy efficient windows and has been supplying Document L compliant sealed units for A-E rated applications from the very beginning of the new building regulations governing energy efficiency. And by offering argon gas filled units and warm edge spacer bar, we can help deliver window products with the highest possible energy ratings.

And our products will also be CE marked – one of the latest and most important legal requirements for products being offered to the market.

Our extensive ability to produce more bespoke glass designs such as bevels & lead means that Martindales can truly be your one stop shop for glass products and help you avoid the hassle of dealing with multiple suppliers.

We can even copy an existing design or split units to use existing Georgian bar – that's the kind of extra mile we'll go to make life easier for our customers.

At Martindales we deal with all the major glass suppliers, enabling us to provide the product specifications you want at the best possible prices.

Quality as standard...

...on every
product

Unrivalled service...

- Online ordering
- Site delivery available
- Buy One Tip One Free
- Transparent pricing

Supplying you with high quality products at competitive prices is only one aspect of the Martindales service offering. We make it easy for you to obtain your products by offering an online ordering service via our website as well as the ability to place orders by telephone or email.

Our friendly, knowledgeable staff are on hand to provide advice on our product range to ensure we can meet your particular needs.

And we also offer a range of collection and site delivery services depending on the type and size of order – just contact us to discuss your requirements and we'll do the rest.

Looking to save time and effort in disposing of old glass products? Martindales can help by offering a 'Buy One Tip One Free' service on collection orders. Simply bring your old units, tip them in our recycling yard and pick up your order – simple, quick and FREE for Martindales customers.

And you will be dealing with a company that understands the Energy Surcharge AND makes its pricing totally transparent.

If you need advice on products, energy efficiency or the energy surcharge, please don't hesitate to get in touch – we're here to help make your life easier and enable you to focus on your business and your customers.

A true breadth of service that you won't get from just any glazing supplier.
